

ARJAV DOSI

COMPUTER SCIENCE & ENGINEERING UNDERGRADUATE

Email: arjav.dosi0107@gmail.com | Phone: +91 9479920440
LinkedIn: linkedin.com/in/arjav.dosi0107 | Indore, Madhya Pradesh, India

CAREER OBJECTIVE

Motivated Computer Science undergraduate with foundational knowledge of Python, Java, and Object-Oriented Programming. Seeking an opportunity to enhance my technical and problem-solving skills through real-world software development projects and collaborative learning.

EDUCATION

Medi-Caps University, Indore

2025–
Present

Bachelor of Technology (B.Tech) in Computer Science & Engineering (First Year Completed)

Gyan Sagar Vidya Niketan, Indore

2025

*Higher Secondary School Certificate (Class XII) -- MPBSE
(Aggregate: 88%)
(Selected as "MEDHAVI CHHATRA" by the MP state government)*

Lokmanya Vidya Niketan, Indore

2023

Secondary School Examination (Class X) – CBSE (Aggregate: 80%)

TECHNICAL SKILLS

- Programming Languages:** C, C++ (basic), Core Java, Advanced Java, Core Python, HTML, MySQL
- Core Concepts:** Object-Oriented Programming (OOP), NumPy, Pandas, Exception Handling, File Handling, JDBC Connectivity, JSP Servlets
- Future Specializations:** Data Structures & Algorithms (DSA), App Development, Database Management Systems (DBMS), Artificial Intelligence (AI), etc.

ACADEMIC & TECHNICAL PROJECTS

Local Hospital Management System Website | JSP, Advanced Java

Developed a local hospital management website to manage patient scheduling and clinical workflows.

- Used JSP and Java concepts to separate frontend and backend functionality.
- Implemented basic server-side processing and request handling.

KEY COMPETENCIES & ACTIVITIES

- **Continuous Learning:**

Continuously learning and improving skills in Python, Java, C++, and modern software development concepts through independent practice and projects.

- **Problem Solving:**

Strong analytical and problem-solving skills developed through academic coursework, coding practice, and technical projects.

- **Technical Community:**

Active participant in campus tech clubs, coding rounds, and peer group coding activities at Medi-Caps University.
